*For Gunnel,
a teacher I will never forget.*

*This book would never have seen the light of day if it hadn't
been for other people's contributions & encouragement.
So, a world of thanks to the following;*

*Henrik, Jepson, Viv, Melissa
Lia, Karin, Johanna, Björn, Siv
Norman & www.nanowrimo.org*

*Everyone that survived my constant whining,
answered all my strange questions and
helped me through the horrors of designing the cover.*

and finally

*Stephen Fry & Hugh Laurie
for being such wonderful sources of inspiration.*
